## **Reference Manual**

**Putnam County Election Office**

**2016**

## Introduction

One of the goals of the Putnam County Election Commission is to strive for 100 percent registration of all eligible citizens.

We thank you for your willingness to **“Conduct a Voter Registration Drive”** and encourage you to review the contents of this guide. Please contact us at **526-2566** if you have any questions or concerns about the voter registration procedures.

### The Decision to Conduct a Voter Registration Drive is:

1. As worthy a cause as a citizen can undertake
2. Fundamental to the election process
3. Important & should be taken seriously
4. Taking responsibility to make government work

### The Voter Registration Drive will be successful when:

- a. Forms are **properly completed** including all required items
- b. Forms are delivered to the Putnam County Election office prior to any upcoming registration deadline
- c. Forms are made available to individuals without discriminating against any group (based on gender, race, political point of view, etc.)
- d. Individuals conducting the voter registration drive ensure that individuals given forms to be mailed later know how to properly fill out the form and are advised of the appropriate upcoming voter registration deadline
- e. Individuals who submit an application to register to vote are advised once their application is approved they will be mailed a buff colored voter registration card from the Putnam County Election Commission

## VOTER REGISTRATION APPLICATIONS

Voter Registration Applications are documents issued by the State of Tennessee and used in any Tennessee county. The Putnam County Election Office will consider a registration drive to be any request for 25 or more Voter Registration Applications. Reporting requirements are why Voter Registration Forms are labeled with a letter code. The Putnam County Election Office will issue forms with the Letter Code of "E" for your voter registration drive.

\*\*\* Tennessee requires a voter to produce a TN state or federal government issued photo ID before being allowed to vote. The exemptions are voters with a religious objection, voters who are indigent and unable to obtain a photo ID without paying a fee, those voting by absentee, hospitalized, or in a licensed nursing home. Valid ID includes (even if expired): a TN driver license with your photo, U.S. passport, photo ID issued by the TN Dept of Safety and Homeland Security, photo ID issued by federal or TN state government, US Military photo ID, TN handgun carry permit with your photo. A college student ID is **not** a valid ID for voting purposes. Out-of-state driver licenses are also **not** allowed.

### The Voter Registration Application can be used to:

- Apply to Register to Vote
- Report a Change of Address for a Voter
- Report a Name Change
- Report a Change in other Information
- Cancel a Voter's Registration in another County or State

### To be Eligible to Register to Vote in Putnam County, Tennessee

#### **ALL of the following qualifications must be met:**

- be a U.S. Citizen
- be a Legal Resident of Putnam County when submitting a voter registration application
- be 18 Years of Age by the Date of the Next Election
- not have been Convicted of a Felony (Those convicted of a felony must have had Voting Rights restored as required by TN state law.)
- Submit a properly completed voter registration application **at least 30 days before** an upcoming election

These qualifications are the same county to county. However, to be eligible to register in another Tennessee county, the individual must be a resident of that county as well as meet the other qualifications. **To register in Putnam County one must be a resident of Putnam County.**

## **REGISTRATION DEADLINE**

Voter Registration Deadlines are specific under the law. If the completed forms are hand-delivered (walked in to the office), they must be delivered by the close of business on the 30<sup>th</sup> day before any upcoming election day. **THIS IS STATE LAW AND NOT OPEN TO DISCUSSION. VOTER REGISTRATION DEADLINES ARE RIGID.**

If the forms are mailed (by an individual or the person organizing the voter registration drive), the envelope must be postmarked no later than the 30<sup>th</sup> day before any upcoming election day to be timely. A form with a postmark of 29 days or less before Election Day would be considered **UNTIMELY** and the individual **WOULD NOT BE ELIGIBLE** to participate in the upcoming election.

Conducting a voter registration drive makes you responsible for getting the forms delivered timely. Do not rely on a postmark unless you personally take the envelope to the Post Office and have them cancel the mailed envelope with the proper date.

## ***Processing Voter Registration Applications at the Election Office***

The Putnam County Election Office personnel stamp all documents when they are received. Voter Registration Applications are categorized as timely or untimely at the time of receipt when compared to any election deadlines. If a Mail-In Voter Registration Application is untimely, the voter will be notified by letter that their registration was received after the deadline and they will not be eligible to vote in the upcoming election. A voter registration deadline could be for a county-wide election or a city election.

Voter registrations timely filed are processed in the order in which they are received. **An applicant's eligibility is determined by the Putnam County Election Office personnel based on state law.** Registrations that have a deficiency (missing social security number, signature, date of birth, etc.) will be deficient and the voter notified in writing. Occasionally, registration forms are received in Putnam County belonging to a neighboring county. Those forms will be forwarded to the appropriate county election office. Hopefully, each application in your registration drive will be timely and properly completed.

The Putnam County Election Office will issue a buff colored voter registration card to each eligible voter. While conducting your registration drive, please advise each applicant to look for his or her Putnam County Voter Registration Card in the mail. Advise them to read the card for accuracy and, if everything is in order, to sign the card and keep it in a safe place until the next election.

*Restating:*

**\*\*\* Tennessee requires a voter to produce a federal government or TN state issued photo ID before being allowed to vote. Please refer to page 2 for the details.\*\*\***

**INDIVIDUALS THAT REGISTER BY MAIL MUST VOTE ‘IN PERSON’ THE FIRST TIME THEY VOTE AND SHOW ONE (1) or TWO (2) FORMS OF ID.** The definition of “in person” would be to appear personally at their election day polling place with proper ID or to appear personally at an early voting location with proper ID.

All these voters shall show a photo ID with their correct address, or a photo ID (without an address) **& another other form of ID showing their correct address.** Examples of these would be Putnam County Voter Registration Card, Valid Tennessee Driver’s License, Passport, Utility bill with your name and residential address, check stub with your name and residential address or checkbook showing your name and residential address on your checks.

### ***ELECTION DAY POLLING PLACE INFO***

Putnam County Election Day Polling Places open at 9 AM and close at 7 PM. The location of your polling place is located on your Voter Registration Card. A voter knowing the location of their election day polling place avoids problems and delays.

The Putnam County Election Office website at [www.putnamco.org/election](http://www.putnamco.org/election) has addresses for each of the 24 Election Day Precincts.

## **LOCATION OF MAIL-IN VOTER REGISTRATION APPLICATIONS**

The Putnam County Election Office has placed Mail-In Forms at each U.S. Post Office in our county. Additionally, forms can be found at the Public Library. The Department of Safety, Department of Human Services, Register of Deeds, all of the High Schools, Military Recruiting Offices, Putnam County Health Department and the County Clerk's Office have forms available during normal business hours.

## **PURGED REGISTRATIONS or PERMANENTLY REGISTERED?**

Many citizens think voter registration is permanent - once registered, always registered. **This is simply not true.** Previously, Tennessee used the term "permanent" on election documents which added to this incorrect belief. The word "permanent" no longer appears on voter registration cards.

As required by law, all 95 County Election Offices in Tennessee purge voter registration records on a daily basis. Upon receipt of notice that "John Q. Public" registered in another county, his name is immediately purged off the Putnam County Voter Database. Should "Mr. Public" attempt to vote in Putnam County, he will be advised that he was purged from our records when he registered elsewhere.

## **Other Legal Reasons to Purge a Voter:**

- Upon receipt of a request to purge the registration from the voter.
- Upon the death of the voter.
- Upon written confirmation that the voter has moved outside the county of registration or has registered to vote in another jurisdiction.
- Upon learning that a voter has had a name change for ninety (90) days or more, except by marriage, and the voter has failed to notify the election office.
- Upon receiving official confirmation that the voter has been convicted of an infamous crime as defined in T.C.A. 40-20-112.
- Upon official notification that the voter is not a U.S. Citizen.
- If the voter fails to respond to a confirmation notice, and if the voter fails to otherwise update the voter's registration over a period of 2 (two) consecutive regular November elections following the date the notice was first sent.
